LEATHER PROTECTION PACK

Cleans, softens and protects luxurious leather. Ideal for leather seats, dashboards and vinyl coverings, providing stain and UV exposure protection.

Code: OP186

LEATHER CLEANER & PROTECTOR SPRAY

It will gently clean, soften, preserve and protect your automotive leather seats and interiors in one simple process. Also suitable for use on vinyl. Silicon free.

Code: OP202 - 500ml

LEATHER WIPES

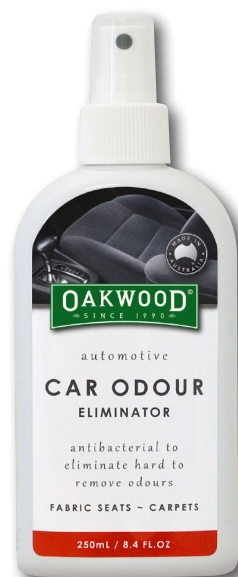

Cleans, conditions and protects in one simple process. Large area coverage for use on leather seats, headrests, panelling and dashboards. Also suitable for use on vinyl. Quick drying with a fresh aloe vera fragrance.

Code: OP197

CAR ODOUR ELIMINATOR SPRAY

Neutralises offensive odours and can be used daily by spraying onto automotive upholstery, carpet and fabric to eliminate trapped odours. The fragrance will leave a pleasant, lasting aroma.

Code: OP189 - 250ml
